

Bio Handout:

DR. WHITNEY BOWE

Renowned New York-based dermatologist, Dr. Whitney Bowe, is known for her integrative and holistic approach to the skin. One of the most in-demand dermatologists in the country, Dr. Bowe specializes in skin rejuvenation, laser dermatology, the link between nutrition and skincare, and the microbiome. Her research and reputation for being a pioneer in her field have earned the attention of top media outlets including Good Morning America, The Rachael Ray Show, The Wall Street Journal, The New York Times, and Vogue.
